Re: *United States v. Capser*, 19 Cr. 337 (JPO)

Dear Judge Oetken:

The Government respectfully writes on behalf of itself and defense counsel to request an additional two weeks (until June 25, 2021) to provide the Court with the Government's and defense counsel's respective positions regarding when the sentencing hearing in the above-captioned case should take place.

The Government has begun but not yet completed the process of obtaining from the defendant's healthcare providers information about his alleged medical conditions, which are the basis for his claim that his sentencing should be significantly delayed. The process of obtaining that information has been complicated by legal requirements that the Government must satisfy before the healthcare providers will provide the requested information. Additionally, defense counsel is scheduled to begin trial in a different matter on June 16, 2021, and would like additional time to further discuss this matter with the defendant.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
